Tewin Pulls Together at Village Fete

Editorial Note

Welcome to our August 2018 edition of the Tewin Magazine. The cover photo this month is of the tug-of-war event at the Village Fete.

With many clubs such as Screen on the Green, Table Tennis and Little Lambs taking a Summer break until September, the main event this month is the Classic Car Show on 19th (p3). This is a fabulous day out, even if you are not a great car enthusiast. There are craft stalls, food stalls and live music. It is the main fundraiser of the year for Friends of Tewin so do come along.

There is no Saturday lunch at Tewin Stores this month but the ever popular BBQ is planned for September (p25).

There will be services of Summer Evensong shared among the Churches of the area with St Peter's, Tewin hosting on Sun 5th (p16).

For ideas on foliage plants to brighten up a parched garden see p14.

Please continue to send contributions for future editions of the magazine to tewinmagazine@gmail.com. The deadline is the 15th of the month, but the earlier the better.

TEWIN MEMORIAL HALL

VILLAGE FETE ENJOYS ANOTHER SUCCESS

Once again the Tewin Village Fete was blessed with sunshine enabling people to stroll at leisure around the various attractions. Children were able to enjoy rides on the Funfair, Face Painting, and the Hook-A-Duck stall, among others, whilst all ages participated in racing cars on the giant Scalextric Track in the Hall, or trying their skills at Beat the Goalie. In addition, adults and children alike showed their strength on the Tug-of-War events, as well as their ability in various games of skill. Apart from these events, visitors were able to browse among stalls selling plants, home-made cakes, home-made wares, handicrafts and much more. In between they had the opportunity to refresh themselves with tea and cake in the Hall, or enjoy the offerings in the bar and barbecue on the Green, as well as imbibing many glasses of Pimms!

As a result, the net takings amounted to a very creditable £4,217.45, which is slightly up on last year's total, so we extend grateful thanks to all those people who contributed in any way. Firstly, to the hard working ladies and gentlemen who came along to help set up, and take down the gazebos and stalls so efficiently. We also wish to thank all those who helped to man the stalls, as well as Jack Mawers, who took charge of the music and PA system throughout the afternoon and Jake Wood, who presented the Raffle prizes and signed many autographs. In addition, we are grateful to Ivor Williams, who again utilised his Cherry Picker to assist Todd Canton and Jim Hall with putting up the bunting on the Village Green. In particular, we wish to thank everyone who made donations to the Raffle, the Plant and Cake stalls, as well as everyone who kindly filled the white carrier bags for the Tombola stall. Our grateful thanks to them all and most of all to the Fete Committee, ably led again by Lynn Farr, and also to Sean O'Flynn, landlord of the Rose & Crown, for his help and for his negotiations with Greene King, which resulted in the loan of the bar on the Green together with a supply of beer.

Finally, we would remind you that the Tewin Village Fete is traditionally held on the last Saturday in June, so please put the date in your next year's diaries – Saturday, 29th June 2019 for which we will again be asking for your input to help with the continuation of this happy event.

Sunday, 19th v. Batchwood B.C. :
Sunday, 26th v. Rosehill B.C. : 2.30pm start
Saturday, 1st Sept. v. Riverain (Hitchin) :

FLIGHT

It had taken only 30 minutes since we had parked the 4WD in the hay-stubble field. The strong ammonia-like smell from the hay + manure pile 100 yards away buzzed in our nostrils but spurred us on to work hard and fast. Two large canisters of gas hung inside the brown basket as it was rolled off the blue trailer onto the grass.

Then the whirr of the angry fan and the yellow whoosh of gas-fired hot air had filled the red & green canvas as it lay on the grass, until s-l-o-w-l-y it began to rise Whoosh and roar, the guy-ropes tightened and then freee at last we three were rising steadily into fresher air. The strong floor of the balloon-basket and 25 feet of thin air now separated our feet from the stubble field below.

The fires blasted loudly with a smell of hot-metal as two tongues of flame shot high into the balloon chamber - they fuelled our slow and steady rise to 300 ft and more. Two riders on the bridleway below stopped awhile to pat & reassure their horses as they looked up.

We crossed above a field that was waxy-blue with long-grown flax and maybe thought there was the faintest smell of flowers wafting up in the air. W-h-o-o-a-a-a-r-r-r went the flames once more and again the smell of hot-steel was imagined. The cheeky whoop-whoop of a piped steam-whistle below gave way to the clink-clank of huge metal wheels as the big steam-engine pondered its way down towards the ChurchFields. The smell we caught in the air now was a mixture of black-burning coal and the high clean tincture of metal and oil from the proud steam-wagon.

Fire and air above looked down on coal and fire below. Fire and coal below gazed up at air and fire above. With a helping gust of wind from the West we broke free of each others' gaze and spun along towards the East side of the village. As we passed beyond and above the high square church tower we saw by the river below, two wizened old ladies in Sunday best dresses. They were dancing a jig to the sound of the bells and swivelled their heads in a Bollywood kind of way. I am sure they looked up at us and waved.

Later that evening when we had returned to the village. I took the dog out for her nightly walk through the blue flaxen fields. She was so pleased at our return. and she bounded off happily along the path across the field. If she could smell the coal or the oil in the air, she didn't give it a care, but she did leave her scent by the corner tree before bounding off to race a figure of 8 round the twin scarecrows in the low field by the river.

Plants for a Parched Garden

When a garden is fried and the grass is the colour of straw you could be forgiven for dreaming of luxurious, lush foliage. Most plants do their growing in Spring, so the foliage you see on the plant in the garden centre in August is all that it is going to make until next spring. However there are some rare exceptions which go on making more lush foliage right to the end of the season.

Melianthus major will continue making new growth sometimes all the way to Christmas. A decent specimen bought now and planted in good soil and sun will fill out and unscroll many more waxy grey-green leaves.

A young plant of purple cut leaf elder bush such as *Sambucas nigra* 'Black Lace' (ultimately 2-3m tall x 2m wide) will go on making new leaves at the ends of its twigs when planted in seriously enriched soil. Just chop it back to 1-1.5m in Spring to produce another crop of dramatic foliage. Its wine purple colouring is a great partner for silver greys such as *Elaeagnus* 'Quick Silver' oleaster (2.5 x 2m) and looks superb infiltrated by the white-felted stems of the Dusty Miller grape vine, *Vitis vinifera* 'Incana'. This vine is also terrific planted through the purple smoke bush, *Cotinus* 'Grace', or one of the dark-leaved ninebark bushes (*physocarpus*, up to 2m x 2m) such as 'Diabolo' or 'Lady in Red' which you could also plant now.

Team Vicar's Letter

2018 has been a year for some significant commemorations – 70 years of the NHS, 100 years since Britain saw the first votes for women – and in November we will remember the centenary of Armistice day, the end of the first world war.

It will be a poignant marker in our calendar, because we will have to hold together in remembrance both the joy, relief and hope that a new peacetime brought to millions, alongside the great loss of life occurred during that conflict and in countless conflicts since.

Our church would like to be able to mark that visibly during our Remembrance Day service, and we are inviting every member of the community, young and old, to contribute. The idea is that you make a poppy and/or a dove in whatever way you wish and leave it in church by the 21st October. They can be made out of paper, material, knitted, clay – whatever you like – but they will represent both our respect for the fallen in war and our non-ceasing desire for a world where all can live in peace. Once we have all the contributions we will adorn the building in time for the centenary on the 11th of November.

We hope individuals of all ages and also village groups will take part. Please do contact me if you would like to know more.

Another commemoration being planned for that weekend is an Old Time Music Hall celebration of the end of war, in Datchworth Village Hall, on the evening of Sunday 11th November. This is still in the early stages of formation and so if you'd like to be involved in any way, we'd love to hear from you!

St Peter's News

Our Pet Service at St Peter's was a very happy and busy occasion. It was great to see all of you and your pets on the day. We were pleased to welcome a couple of tortoises, a guinea pig, our very special orangutan (plus baby since last time) and lots of dogs. Perhaps unsurprisingly cats were noticeable by their absence but some of you had brought along photos and pet replica toys for the blessing. All the pets were well behaved – no fights but just an occasional squeaky bark.

We hope that all you crafters out there are working on your projects for our WW1 100 Year commemoration at the Church in November. Doves and poppies are the basic theme, but if you have other ideas then they too would be welcomed. There's plenty of time still.

A reminder too, that if you are a local family with WW1 family connections and a memorial in the Churchyard, then do please contact Nicky Hadley who is looking to provide some histories for visitors to St Peter's. Her telephone number is 01707 336542. If she is not available then just leave a message and she will get back to you.

What Difference Did You Make?

Whilst away last weekend, the church I attended had its annual civic service, tricorne hats, robes and the clerk in a wig. The vicar chose as his sermon theme “making a difference”. Whilst recognising that in a few instances it might not be true, he expressed the view that, generally and at the local level particularly, people entered politics in order to make a difference. He also said that he became ordained again from the strong desire to make a difference.

My initial reaction was to feel a sense of exclusion. My choice of accountancy (probably my father’s choice actually) was not based on any strong desire I can recollect. That’s accountancy for you. The idea of making a difference would not have crossed my mind. Does that mean that we secular types are not within this virtuous circle of difference makers? Of course he was not saying that.

Just by being here, we all make a difference to, or for, those around us. What is important is the nature of the difference we make. Just imagine for a moment you are at the mythical pearly gates and the question you are asked is “what difference have you made in your lifetime?”.

Come to think of it, it is a good question for the end of each day together with “what difference do I hope to make tomorrow?”.

Tewin Tennis Club

Oh, how fortunate we were with the weather on the 30 June for our Summer Tennis Club party! While the building work on the pavilion wasn't quite complete, everyone spent the majority of the evening outside enjoying the evening sunshine, with the music drifting by. A fine barbecue was provided by the Country Bumpkin, with a truly excellent range of desserts from club members. There was even some tennis early on, fun and games for large numbers organised by Bert and Cheryl. The whole event was organised by David Rawlins and Kevin Doyle, to whom we owe much thanks.

Ross Alexander, our new coach, has rapidly integrated into the club, with increasingly popular sessions for juniors and adults during the week. If you need a bit of coaching – and who doesn't – Ross runs private sessions by arrangement and also group coaching. Currently the groups are centred around Tuesday afternoon and early evening, with the mix-in group for adults at 6pm.

Get in touch with Ross on 07711 090881 and he'll put you on his WhatsApp group. You'll get a message a couple of days beforehand to see if you want to join the coaching that Tuesday. It's that simple.

Ross is also organising a Summer tennis camp for 4 to 8-year-olds. The sessions run on Monday, Wednesday and Friday for two weeks, starting on 30 July. Get in touch with Ross for more details.

Has someone lost some vouchers? We have found some in a bundle of tennis club renewals and are not sure who they belong to.

Please contact Val Winfield if you think they might be yours:

Tewin Cricket Club

July has seen plenty of progress on and off the pitch at Tewin Cricket Club, ably supported by the sublime summer weather.

The 1st team has won four out of their five games to leave them in second place in their division, with a really strong chance of promotion. There have been great team performances, with some individual standout performances too. Luke Wilde hit a century, whilst there have been half-centuries for Will Pickworth (2), Jordan Brunel, Luke Wilde and Noah Lipschitz. Dan Smith also took an incredible 6-wicket-haul in a crunch victory over Welwyn Garden City.

The 2nd team have unfortunately had a more difficult month with five defeats from their five fixtures. However, the team is optimistic with plenty of talent amongst the ranks that they can turn around their poor form and push back up the table. The performances of the young trio of Lewis Cullen (U13), Safia Qureshi (U17) and Charlotte Wilde (U17) have been the highlights.

The Sunday team have managed to win two out of their three games this month to place them in second place in the North Herts Sunday League Division 1. They are in a good position to challenge for the title with the other contenders being Therfield & Kelshall and local rivals Bramfield.

On Sunday the 8th July, the club also held a memorial match in memory of Ted Tyler. Ted was one of the real legends of the club and the village and his son Ben put out a 'Ted Tyler XI' to play Tewin CC. It was a great day with a BBQ and Bar running throughout and £400 was raised for the Tyler's choice of charity, 'The Dogs Trust'. The Ted Tyler XI won off the penultimate ball of the match and a thoroughly enjoyable day was had by all.

The club would also like to pass on its thanks to 'The Friends of Tewin' who continue to provide fantastic support to the cricket club. This is hugely appreciated by all members and has enabled us to repair one of the Sight Screens, which is now looking fabulous. They were also monumental in helping to secure the funding for the refurbishments of the Tewin Cricket and Tennis Club pavilion. This is expected to be completed very soon and it is looking absolutely magnificent. These facilities improvements will really help the Cricket Club push on to the next level.

Tewin Stores

It was good to have a stall at the recent Tewin Fete. Hopefully it showed some new customers what the local shop has to offer and we will repeat it again at the Classic Car Show in August.

The afternoon tea is now fully booked and I know those who will be going will have a great time. There will be no Saturday lunch in August but hopefully we will have the popular BBQ in September.

Oliver Jones has agreed to take on the Saturday manager's role until his return to university in September. He will be ably assisted by another of our young volunteers Oliver Brady.

Alan Day, who delivers our papers, has not been well for some time. We would like to pass on best wishes from all concerned with the shop, and hope for a speedy recovery as well as thanking his wife and son for continuing to do the round during this difficult time.

We continue to look for a Treasurer so if you know anyone who would be interested in taking on this role please let us know.

100 Club winners for July were:

1st Martyn Perkins - £45.50

2nd Anne Mead - £22.75

3rd John Ling - £13.65

Normal shop opening hours are:

Monday – Friday: 8.30 -4.30pm,

Saturdays: 8.30 – 12 noon,

Sundays: 9.00 – 12 noon

TEWIN CLASSIC CAR SHOW SUNDAY 19th AUGUST

The Classic Car and Craft show is on the horizon, alongside great cars to admire there will be craft stalls selling wonderful produce.

We will be entertained by a jazz band, plenty of refreshments and food. This year we will have a speciality Pizza van selling tasty pizzas as well as local hog roast, Hill Brothers licensed bar, teas, coffee, ice-creams and of course our wonderful local home-made cakes !!!

These wonderful cakes are all kindly supplied by Tewin residents. If you can bake for us we will be very grateful. Please contact Roe Hill on 01438 717336 or email roe.hill@btinternet.com

Any offers of help on the day will be gratefully accepted to help this village event run smoothly.

Please contact Brenda on 01438 489425, we look forward to seeing you on the day. If this fabulous sunshine lasts it should be a lovely, enjoyable time.

Friends of Danesbury & Queen Victoria Memorial Hospital

‘Summer time and the living is easy’. This is what we all hope for in the month of August. Warm and sunny weather in which many of us can enjoy our holidays before it is back to work or school.

Sadly, regardless of the weather, for some this will not be the case. Ill health has no respect for the seasons and the work at Danesbury and QVM Hospital carries on as normal. We see new patients arrive and as the days pass we see those same patients beginning to benefit from the specialist treatment they receive each day. The demands never change.

The Friends provide support wherever we can thanks to the money we receive by way of donations, and particularly from our Welwyn shop. You can help us by donating an unwanted or unloved ‘thing’ to sell in our shop. And, of course, by buying in our shop. Always remember that we never buy any stock for sale so every penny goes towards the work of the charity.
