## A Letter from Coralie

*'Remember, remember, the fifth of November, gunpowder, treason and plot'*

It's difficult to believe that bonfire night is here again. It must be something to do with advancing age but more likely because fireworks are now a feature of all celebrations. Yet on a clear dark autumn evening they can still elicit an *oooh* or *aaah* as they light up the sky and I try not to think about the environmental and financial costs involved or the certain knowledge that Winnie, my Jack Russell, will be quivering under the bed.

There are three other very important dates in November the 1<sup>st</sup>, 2<sup>nd</sup> and 11<sup>th</sup>, as the Church enters the season of All Saints to Advent and we are reminded that, through baptism we become members one of another in Christ, members of a company of saints whose mutual belonging transcends death.

All Saints' Day (1<sup>st</sup>) celebrates the men, women and children in whose lives we have seen the grace of God at work. We all have our favourites: Edith Cavell, Florence Nightingale, Francis of Assisi, Martin Luther, Alban or an Apostle each shaping human lives, an example of Christian witness and a source of encouragement when we most need it.

All Souls Day (2<sup>nd</sup>) the Commemoration of the Faithful Departed there is an opportunity to remember with thanksgiving those whom we have known personally, a parent, grandparent, spouse or friend. At St Peter's on Sunday 7<sup>th</sup> at 6.30pm you are warmly invited to an evening service of hymns, readings, prayers and quiet reflection. Please add names of those you would like remembered to the list at the back of the church or ring me on 01438 817183.

This year's Remembrance service will be at 11am on Sunday 14<sup>th</sup> when once again we confront issues of war and peace and wonder why we continue to destroy each other but give thanks for those who risk their lives for justice and the hope of peace.

*Coralie*

## Churchwardens' Notes

The end of September was a busy time and several items missed the October 'News'.

On 23<sup>rd</sup> September we had our Community Day, thanks to Bovis Lend Lease and one of our number, Helen Woods, who arranged and organised the whole event. Twenty Bovis Lend Lease volunteers came for the day and were joined by six of our 'regulars'. During the day, the full extent of the Sabine vault was exposed at ground level; railings around Lady Anne Grimston's grave were painted; the Beit memorial was scrubbed; the external church doors and the north wall seat were treated with preservative and an intrusive conifer removed from the Northwest corner. In all a very satisfactory day plus a very generous contribution from all the helpers and of course Bovis who provided lunch for everyone at the Rose & Crown. A 'work party' day the following Saturday when only two attended but achieved a very good result by removing the dangerous entanglement of twisted branches, dead wood and leaves in the Atlas Cedar near the North boundary. Many thanks to Mark Swann for his 'high level' skills!

Another project which received support from the Rural Dean during the Archdeacon's Inspection was the proposed reduction of the yews overshadowing the Beit grave. We have a photograph from the early 1900's showing a much more appropriate line of yew bushes about 4 feet high. We think it appropriate to reduce them to this level again.

At the end of September we had the pleasure, with many others, of attending the dedication of the School's new *Outdoor Learning Area*. This project was a tribute to Dilys Aplegate who had been a governor for over 40 years, and died just a year ago. The handsome gazebo was dedicated by Stephen Fielding and the school provided much appreciated refreshments – with table service by very attentive (and young) waiters!

Not to be outdone, October started with a concert in St Peter's on the first Saturday. Around a hundred were in church to hear the '*Charpentier Consort*' with a varied programme which was much enjoyed. Many thanks to Ted Sharp for arranging the event and of course to all those who helped in many ways.

Now to more mundane matters. The new cleaning rota for October 2010 to September 2011 has been issued. It has several vacancies even though some people are scheduled for three and even four slots! The aim is to have a full rota, with no one doing more than two turns. A basic clean takes about an hour (or more if you are so inclined); there are guidance notes on the back of the broom cupboard door and a vacuum cleaner in the vestry. If you are not on the rota, please consider very carefully if you really cannot give at least one hour each year to keep our church looking so well cared for. Then please talk to Pete! A big 'thank you' to all those who, week by week, clean our church.

Finally, you may be interested to know that, after nearly 90 years, the Department of Culture etc, advised by English Heritage, have decided to list our War Memorial as a Grade II building. How did we manage 90 years without this 'help' from the bureaucrats?

Pete and Mike

### *Harvest Festival – Sunday, September 19<sup>th</sup>*

This year we had a wonderful celebration of Harvest at St Peter's. Many thanks to the kind, generous people who gave their time and talents to decorate the church so beautifully and the donations of so many flowers, fruit, vegetables, sheaves of corn, harvest loaves and mice (bread ones!) Every ledge and pillar was decorated and the tower had a splendid display of work produced by the children who attended the August Sunday Club, and photos of them hard at work. After the Tewin Cowper School attended their Harvest Festival Service on Monday morning, a group of helpers dismantled many of the floral displays and turned them into bunches and distributed these to the older people in Tewin. Carefully packed boxes of fruit and vegetables were taken to Isabel Hospice. Sincere thanks to all who helped prepare and deliver these gifts.

We look forward to the day when the whole of creation is restored to a living, loving relationship with God. [www.tewinvillage.co.uk](http://www.tewinvillage.co.uk) The website is getting a new look!

Our redoubtable technical wizard, Felix Green, recently found a government sponsored server for community websites like ours, which we can use free of charge. So no more server costs! Let's hope this quango does not get cut before we use it!

Felix and Lia Parkinson have worked with the website group to redesign the existing pages and the new site will be ready for uploading during November. It will have the same name, [www.tewinvillage.co.uk](http://www.tewinvillage.co.uk) so please remember to take a look at the new site at the end of November and use the feedback loop to tell us what you think of it.

Happy surfing

### **News from Herts Association for Local History (HALH)**

Some of us attended the HALH Annual Garden Party in July, held in Ashwell, a very interesting place and well-worth keeping in mind for another outing. There are many old cottages and the church is amazing. The museum is delightful and we were treated to a fascinating talk on the history of the United Reform Church. We were also entertained by a sheep shearing demonstration(!) The Parish Council has created a village Heritage Trail.

This year's Annual HALH Symposium (31<sup>st</sup>) is hosted by the Bishops Stortford Local History Society on "Brewing and Malting" at St Barnabas Court, Church Lane, Thorley, Bishops Stortford CM23 4NF on Saturday 13<sup>th</sup> November, 9.30 – 4.30. Please contact me if you are interested in attending.

The 2011 Summer Garden Party will be in Welwyn village (date to be confirmed).

The 32<sup>nd</sup> Annual Symposium is at Abbots Hill School, Abbots Langley on 12<sup>th</sup> November 2011 and hosted by the Hertfordshire Gardens Trust. There are 8 lectures on Herts Historic Gardens & Parks – a treat for garden enthusiasts!

### **Other news from Hertfordshire Archives and Hertfordshire Publications:**

The Herts Library Service, which includes HALS, is subject to a 20% cut in services.

With immediate effect the archives are open all day Tuesday—Friday, Thursday evenings and Saturday mornings.

All wills in Hertfordshire have been digitised and can be accessed online via the National Wills index. Very useful for people researching genealogy in Herts.

### **Two books of local interest to be published soon:**

*Carrington's Diary Vol 1 to 1804, out early 2011, to be followed by Vol 2 to 1810*

*A facsimile copy of Repton's Red Book about Panshanger will be produced during 2011*

## ANOTHER MEMORABLE JUMBLE SALE

Thank you to everyone who donated items to the October Jumble Sale - villagers are always generous with their donations and for this sale we received more than ever. As a result, our wonderful team of helpers faced a daunting task to set up tables during Friday, sort everything in the evening and Saturday morning. However, as always, they put their energy and goodwill into the task and all the stalls were ready by 2pm when the doors opened. The Memorial Hall Committee is very grateful to them all, as well as to all those who helped collect goods or man stalls.

As you are aware, the Memorial Hall requires a lot of funding, for major maintenance and improvements. The fund raising by our volunteers is the source from which the majority of our funds come for these purposes. So events like Jumble Sales, Book Sales and the Village Fete are so important to ensure the Memorial Hall is continually improved and kept in a good state of repair. The contribution villagers make in helping to raise money is invaluable - without it the Memorial Hall would close.

We are therefore delighted to report that the October Jumble Sale takings were £2,375 (after expenses we expect to clear £2,000), which is a wonderful result and the Committee is extremely grateful to everyone who contributed in any way. Thank you very much indeed.

NB: It's worth recording that such is the popularity of Tewin Jumble Sales, the first visitors arrived two hours before the event and by the time the doors opened, the queue trailed past the Cowper Cottages on Lower Green!

So please note the date of the next sale - **Saturday, 12<sup>th</sup> March.**

Todd Canton

## September News

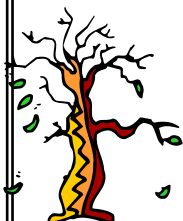

It was very moving to host so many members of our village and Parish community at the opening of the "New Out-door Learning Area". It served as a memorial to Dilys Applegate-Governor of the school for over 41 years. Friends gathered to recall their memories of her and acknowledge her service to us. It was especially rewarding that her two daughters were able to hear the high regard in which she was held and to cut the ribbon for us.

We wish to thank all those of you who supported the school's Macmillan Coffee morning on 24<sup>th</sup> September. We are very proud to have raised £116.40. The following day the sun shone and we were able to hold our School Fete out of doors. It was a joyous and well-supported event which will have raised much valued funds for the school's many projects. Thank-you to all those who supported it and *especially* to all those who organised it!

The next Parent Association event will be the Fireworks Display on Friday, 5<sup>th</sup> November, always an excellent evening to which all are welcome. If you should have any spare wood for the bonfire, it can be brought to the school field a little nearer the event. Thank-you.

The school choir are currently rehearsing for the "Friends of Tewin" tea/coffee afternoon at Tewin Memorial Hall on Wednesday, 20<sup>th</sup> October. It is an event open to all and well worth attending, to enjoy both the refreshments and the entertainment.

On Wednesday, 7<sup>th</sup> October Ladybird and Caterpillar classes enjoyed an autumn walk, collecting bags full of leaves and conkers. On Wednesday, 13<sup>th</sup> October Honeybee Class visited the Natural History Museum to complement their studies of the prehistoric age and no doubt enjoy some close encounters with the dinosaurs!

Later on this term a whole school trip is arranged for 24<sup>th</sup> November to the National Gallery.

Sporting fixtures are now in full swing with our teams training hard and purposefully. The ballroom dance club has mastered the Cha-cha-cha and the Young Writer's Club is close to publishing the first edition of a school newspaper.

During recent school assemblies we have been following, and praying for the events in Chile. With the school's assembly theme of "Thankfulness", we feel richly rewarded as each miner surfaces.

As I write, we're a week away from the half term holiday. Our hard working children have certainly earned themselves a rest. We wish them a safe and enjoyable break and look forward to their return, refuelled and ready for more!

The Staff Team

**Visit to the Royal Academy of Arts, Piccadilly and/or Christmas shopping trip**

We have organised a coach trip to the Royal Academy of Arts, Piccadilly to see *Treasures from Budapest : European Masterpieces from Leonardo to Schiele*. The exhibition includes paintings, drawings and sculptures ranging from the early Renaissance to the twentieth century, showcasing the breadth and wealth of one of the finest art collections in Central Europe.

As this visit is a month before Christmas, we are offering coach seats only, to provide door-to-door transport for six hours of Christmas shopping in the West End. There's plenty of room in the hold of the coach to bring back your shopping, so it's a convenient and comfortable way to shop.

The coach cost is £11 for *THACS* members and £13 for non-*THACS* members.

There is no entry charge for Friends of the Royal Academy so they only need to pay for the coach. If you are not a registered Friend of the Royal Academy, you will need to pay the £10 group-rate admission to the exhibition plus the coach costs. Audio guides are not included in the ticket price but can be purchased in advance at a group rate of £2.50 each.

The coach will leave Tewin (*from the bus stop opposite the Rose & Crown*) at 9.00am sharp and leave the Royal Academy at 4.00pm. Our allocated slot time to enter the exhibition is 12noon so there should be spare time for viewing other works of art.

The Royal Academy needs the specific number in our group and make payment two weeks before our visit, so kindly complete the booking form with your details and send it with your cheque (payable to *THACS*) to:- **Pat Fulford, 27 Bishops Road, Tewin. AL6 ONP by 8<sup>th</sup> November 2010**. Bookings for coach-only will be accepted up to 22<sup>nd</sup> November. Booking forms from the Newsletter on the *THACS* page of [www.tewinvillage.co.uk](http://www.tewinvillage.co.uk) or from Pat Fulford (01438 798717).

### **Danesbury Day Room Project**

Our major construction project is well underway, funded entirely by the Friends using money raised by our Welwyn and Knebworth shop, providing a purpose-built facility to benefit patients, their visitors and staff. Work began in August and is on schedule for completion in early December. We plan to have the day room in full use ready for the Christmas festivities.

Since the original plans were drawn some changes have been made to get maximum benefit from the extra space. A credit to those managing the work that these changes will not delay the planned completion date.

The Friends are working with the PCT on how best to provide the volunteer help at both Danesbury and QVM since the need for helpers is as great as ever. If you know anyone who might be interested do encourage them to contact us.

Jean Mafham and Jean Howells with their helpers who run our Knebworth shop, continue to see growing sales. There are deep concerns about the proposed introduction of car parking charges in the village. We hope, if this proceeds, there may be offers by other local businesses or institutions of free parking for our volunteers.
