Tewin Parish Council

CHAIRMAN'S REPORT

Another Parish Council year draws to a close.

Back in January 2013, we had the first indication that some Section 106 money, from the Sevenacres housing development, might be used to provide a new footpath between Godfries Close and Upper Green.

This year we have finally seen completion of the path by HCC Highways, and its being put to good use by

many villagers. Hopefully in the near future, Taylor Wimpey will complete the landscaping on the frontage of the old Tewin Garage site, and finally leave the village.

On the negative side, we spent a great deal of effort trying to avert the cuts to the 388 bus route, but to no avail. Despite many government words about reducing dependency on the car, buses are not considered as vital infrastructure. HCC was looking to save money, and despite various consultations, they got the cuts that they wanted. We thank the officers of the Council who tried to make the best of a bad job. HCC is also saving monies on it's Highways budget. Getting potholes repaired is a constant battle. Roadside gullies were emptied last year on an 18 month cycle, but we cannot get them to come back and do the ones that they missed. The Parish Council has already spent money on gulley work, and this looks like becoming a regular expenditure.

Highways are normally successful at the large jobs, but the surface dressing applied along Churchfield Road this year is already breaking up, and this has been reported back to Highways.

Having been advised that they should not be using concrete kerb to repair the northern edge of Lower Green, Highways abandoned the job, claiming that it had all been a mistake. The Parish Council is now paying for the repair from our New Homes Bonus. Our contractor is currently waiting for the granite kerbstones to come into stock in May. Hopefully this will keep all but the biggest lorries off the green, but we will look at additional surface re-enforcement if necessary.

East Herts Council continues to work towards its new District Plan. Tewin is still designated as a Group 2 village with only infill development, but no doubt the owners of several fields around the lower village area will try to convince the Inspector that what Tewin really really needs is more houses.

Our neighbours in Welwyn Hatfield are working on their own Local Plan, and developers are now proposing to put 1000 houses on the old Panshanger Airfield. And we also have the next review of the Hertfordshire Minerals Plan, which after a lot of worry, will hopefully leave us alone again.

Our precept for next year has been increased by £500 to £29,000.

Thanks go again to the Parish Clerk, our Parish Councillors and our District plus County Councillors for all their help and support through the year. And thank you to all those residents who run the groups and events, making Tewin a great place to live.

JUMBLE SALE UPDATE

Since the last Jumble Sale more money has trickled in. As a result the takings for the Spring Sale have reached £3,770. This is a record for a Spring Jumble Sale. As a comparison, in 2007 the Spring Sale takings were £1,597 so its continuous growth over the years is a great credit to everyone who donates and to all those who help before, during and after the sale.

We would just add that many of the unsold items are donated to various charities where possible, so many people benefit overall. Therefore, heartfelt thanks go to everyone who contributed in any way and we would again remind you that the next sale will be on

Saturday, 8th October.

Is your tumble dryer safe?

Hertfordshire County Council's Trading Standards and Fire and Rescue teams are urging residents to check their tumble dryers after a leading manufacturer discovered a fire-risk fault in some of their leading models.

4.3m tumble dryers sold under the Indesit, Hotpoint and Creda brands between April 2004 and September 2015 are thought to be at risk from a fault that could allow lint to build up against the heating element.

Guy Pratt, Assistant Director of Community Protection, said: "Residents can quickly check online whether or not they have one of the affected models, and I'd encourage all households to take a couple of minutes to find out.

"Tumble dryers are a common cause of household fires, so whatever type of tumble dryer you have it's important to follow the manufacturer's instructions, regularly clean the filters and don't leave the dryer on overnight or while you're out of the house."

Customers who have not yet checked if their machine is affected can do so online at <https://safety.hotpoint.eu/> or <https://safety.indesit.eu/>, or call 0800 151 0905.

Tewin Tennis Club

-
- May 2016 Parish Newsletter

The tennis club has been very fortunate to be allocated nine pairs of tickets to the Wimbledon championships this June/July. Lucky tennis club members, drawn from a hat at the AGM, are Ian Bolton, Jane Raine, Keith Duerden, Peter Marshall, Jane Lockwood-Taylor, Helen Gouldstone, Hazel Lee, Joanne Allen and Steve Stott. The stipulation for eligibility is that you are a member of Tewin Tennis Club, and that you have signed up to British Tennis, part of the LTA. Oh, and you do actually have to pay for the pair of tickets too, which will be well over £200 a pair for finals days!

The junior tennis coaching sessions re-started on Thursday 21 April. Senior groups happen on Tuesday and Thursday evening, provisionally starting straight after the London Marathon, assuming coach Mark is still in one piece. Check with Mark: 07732 765401, mark_roskilly@hotmail.com.

The club's popular ABC league starts its summer run on May 13. It takes place every Friday evening from 6pm, for at least two hours. It doubles up as a social evening, with the pavilion open, so please do drop by for a chat or, if you are not a member, to see what the club can offer. If you don't know anyone, just ask!

Open Gardens on Sunday 22nd May

This is a very popular event which only comes around every other year so please make sure you make a note of the date, which this year is Sunday 22nd May.

Tewin Open Gardens offers us all a rare opportunity to explore the secrets hiding behind the hedges and lanes around the village as private gardens will open their gates to us. These gardens offer a wide variety of styles, sizes and interesting features, ranging from unusual plants, wild areas, to the ever popular water feature.

In some of the gardens you will see beautiful borders, vegetable plots and you may even spot the odd sculpture. We hope you will come along and enjoy this wonderful opportunity to see a wide variety of interesting gardens.

We are very pleased to tell you that some of the open gardens will have plants and refreshments on sale. With the possibility of other gardens also joining the event soon, it promises to be a great day and you won't be disappointed. If you think you would like to join in and open your garden for the day (which last time raised over £250 for Isabel Hospice), please contact Jim Hall on 01438 718505 or email jimjhall@btinternet.com.

The opening times for most of the gardens will be 11:00am to 6:00pm. Entrance to gardens will be by a programme which will include a map detailing the gardens' locations. The programme costs £2.50 per adult whilst accompanied children are free. These programmes will be available from Tewin Stores and Tebutts at Burnham Green from Monday 2nd May and from some of the gardens on the day.

We look forward to seeing you around our village on Sunday 22nd May for a beautiful Spring day out, when you will be made very welcome.

Team Vicar's Letter

This month - a big HOORAH for volunteers. There are hundreds of you out there. And you are fantastic. You are. I'm talking church and I'm not just talking church.

I'm talking to all of who out of the goodness of their own heart, not for pay, not for status, but for the sake of simple kindness and community pour tea, pick up litter, run activities for young and old, give lifts, sit on committees, drive to the foodbank, help out at the hospitals, garden for others, clean the church, do the flowers, mend broken things, make new things, walk a neighbour's dog, visit the sick, take care of our village buildings, tend our churchyards, serve our schools, run our shop, produce our magazine, give advice that is free and wise, who when someone says "I need a bit of help", they say "OK", and they give it.

And I know squillions of you who do all those things with humour and grace and talent. Hoorah for you. HOORAH!

Volunteers can look a bit like the rest of us but that's just a disguise. If you peer really hard you can sometimes see the budding of wings under their jumpers. However this looking is best done with great subtlety or people might think you odd. But if you spot one – give them a huge hug, kiss them hard and shout 'HOORAH!' very loudly in to their ear... or just say 'thank you'. Because they are amazing and sometimes tired and that would be nice.

St Peter's News

I can't believe it's May already and spring is almost ready to give way to summer. Although for those of us having to use the vestry it is hard to believe it's not still mid winter. With Easter being so early this year and the winter relatively mild we seem to be rushing ahead of ourselves. However, given that we are still in spring we can talk about spring cleaning or, more to the point, the annual spring cleaning of the church. This great festival of mops and buckets starts at 6.30 on Friday 6 May and ends on Saturday 7 May. Helpers have already signed up on the list in the church but there is room for more so do join the happy band of scrubbers!

This year Whit Sunday or Pentecost will be on the 15 May and should not be confused with the Spring Bank Holiday at the end of the month. If the churches manage to fix the date for Easter as we are informed by the Archbishop, then perhaps the two dates will come together again! Apparently the churches have been talking about doing this for over one thousand years so don't hold your breath for a quick solution.

As you will have seen, there is an extension to the old churchyard and some of you helped with putting in the hedge for it. Now that has been done grass seed has been sown on the levelled earth and we await the transformation to green sward and that can't be long now. It is hoped that the new land will be consecrated later this year.

- Introduced a new menu for Friday Breakfasts

Our new Treasurer ,Steph North, has more than risen to the challenge. Not only has she worked hard with Keith St Pier and with her assistant Treasurer, Doreen Lloyd, to begin the process of taking over the shop accounts from our paid Book Keeper, Sallie Nash, but she has also completely tidied the office. Taking over the accounts in this way will mean two things – we shall have a much closer day to day understanding of our accounts and we shall cut down on some of our costs. I should like to thank Sallie for all her help both now and in the past.

Everyone has an important part to play in improving the fortunes of the shop over the next few months. Our volunteers will be undergoing some refresher training. Further refurbishment of the building, inside and out, together with tidying up the outside, the store cupboards and the office, is underway.

Do come and have a coffee in the shop, sample a Friday morning breakfast – the new menu includes scrambled eggs with smoked salmon and Eggs Florentine Benedict, or enjoy one of Linda Crawford's Saturday lunches. The next lunch is on May 21st when we will be serving a Ploughman's.

By the way did you know that, although the Post Office is only open for six hours a week, you can use it to pay in cheques for most other banks?

If you would like to become a shareholder, or a volunteer, please get in touch with me (01438 717385) or our Secretary Eleanor Lohr (01438 717709), or speak to Bev at the shop (01438 717929).

We also have vacancies for some new young people who may be doing their Duke of Edinburgh awards, so do get in touch if you would like to serve in the shop on Saturdays.

If you own a classic car that you would like to enter, please complete the form on the Classic Car Show page on www.tewinvillage.co.uk or email us on tewincarshow@hotmail.co.uk. If you prefer, please telephone Shirley Sinfield on 01438 798605 for an entry form. If you would like a space for a craft stall, email Linda Crawford on lindarichard@talktalk.net.

Friends of Danesbury & Queen Victoria Memorial Hospital

Strange that this time last year we were waiting for the general election and now it is the European referendum. For the general election NHS funding figured large in the political debate and no doubt the health service in various forms will be a significant issue in the arguments for and against our remaining in the EU. What is clear is that stay or go there will continue to be insufficient resources to meet all the needs of a growing and ageing population. No surprise there.

Whatever happens, the Friends will continue to provide financial support to the patients and their carers at Danesbury Neurological Centre and Queen Victoria Memorial Hospital. In many ways we can make a real difference and we are confident that with the help of all our supporters we will continue to do so.
