

THACS - TEWIN HORTICULTURE ARTS & CRAFTS SOCIETY

THACS Plant Exchange

Despite the last months' gloomy news about the difficulties facing THACS, it's not dead yet! We still have a small committee ticking over, ready to run a few events.

We will be running a Plant Exchange stall on **Saturday 20nd May**. The stall will be by the well head on Lower Green and open between 10am and 4pm.

Please bring along any spare plants you are able to donate. Have a look at the plants on offer and maybe you can find some that you would like for your garden, allotment or house. If so, please feel free to take them! You don't need to bring a plant to take any away, but it's probably best to bring a bag.

If you are dividing perennials or taking cuttings this spring, then it might be a good idea to select likely candidates now so that they will be settled and neatly potted by the time of the Plant Exchange. If you are growing plants from seed, please save extra plants for the stall. It would be a great help if the donated plants were all identified and labelled but, if you don't know the name of the plant then just give us a brief description.

We expect that most of the plants will be delivered to Lower Green on the day, but we could collect your plants earlier if necessary. If you need any help or have any questions, please contact Ray Keppler (01438 717545, thacs.chair@gmail.com) or Lynne Burgess (01438 798799, burgesslynne1@gmail.com).

Ray Keppler, THACS Chairman
