Editorial Note

Welcome to our August edition. Our front cover photograph, taken by Peter Burgess, shows the newly renovated tennis courts, which will be in use on the Tennis Club Finals Evening on Fri 5th. See page 9 for details. My grateful thanks go to Heidi Tipper for her help in editing this issue. Lunch at Tewin Stores is on 13th (p25). Don't miss the fabulous Classic Car Show on 21st (p3). The Bishop of Hertford visits St Peter's on 21st (p19)

Are you interested in baking? See p29 for the Great Historic Bake Off. Did you know that you can borrow E-Books and magazines for free? See p13 to find out how.

There will be no film shown this month. The next film will be on Monday 19th September.

Please take some time to read details of the Community Car Scheme (P14). The more local volunteers the cheaper the scheme will be to those who use it.

Please continue to send contributions for future editions of the magazine to tewinmagazine@gmail.com. The deadline is the 15th of the month, but the earlier the better.

Drivesafe

Tewin Parish Council continue to support the Drivesafe group, who are still able to find too many drivers exceeding the speed limit throughout the village. We are hopeful

that their continued operation will encourage motorists to slow down through Tewin. If you are interested in giving a few hours of your time and helping the Drivesafe volunteers please contact the Clerk for details.

Lower Green Kerbing

The Parish Council has submitted a works application and a temporary traffic regulation order to Herts Highways in order to close the road to enable the replacment kerbing works on Lower Green. Once approval and advertising has been completed a start date will be confirmed and a start date of 15th August is anticipated but yet to be confirmed.

Upper Green Parking

Following incidents of hazardous parking on May Pond Green and Upper Green and complaints from parishioners the Parish Council is in the process of getting quotes to put an earth bund along May Pond Green to deter parking and approaching Greene King about any options to extend their car park.

Upper Green Road Ditch

The Parish Council has obtained three quotes for excavating the ditch to below the level of the pipe work and for the soil taken away to be used to build an earth bund on May Pond Green to deter parking. The Parish Council has arranged a site visit with Herts Highways to discuss a contribution to the works to alleviate the blocked ditch.

Appeal Response - 3/15/1563/FUL - 16 Harwood Close, Tewin

New detached dwelling - The appeal for this planning application was dismissed based on the basis of the harm to the character, appearance and living conditions and the overall design, height, bulk and siting of the proposed development.

RIVERS

Have you ever seen the River Beane ?
Just north of Hertford – a true country scene,
the water-meadows look serene.
The cows well-fed, but the bull's a bit lean.
- Finer fields are seldom seen
than those on the banks of the River Beane

The total length of the River Lea
is 70 miles from source to the sea.
If you plan to cycle – please feel free,
But lookout for walkers – it could be me !
I stop at the pubs and the café's for tea
on the towpaths and footpaths of the fine River Lea.

Pleasure craft sail on the great River Ouse -
you can tell they're for pleasure from the noise of the crews.
Now I'm never a one who would lightly accuse
my fellow-man of sinking the boat with the booze.
The lesson for them is never to lose
your way or your anchor on the great River Ouse.

Then, of course, there's the great Father Thames
Some folk walk it from the source to the end,
But if you have only a few days to spend
then please take this piece of advice from a friend –
It's better to sail through the locks and the bends
If its pleasure you seek from old Father Thames

Tewin Tennis Club

I am guessing that you enjoyed that memorable weekend in early July when we were blessed with a couple of wonderful Wimbledon finals. Both Andy Murray and Heather Watson played superbly (as well as Heather's mixed doubles partner, Henri Kontinen), so we had two British winners to celebrate on the same day.

Not only that, our local hero Lewis Hamilton won the British Grand Prix at Silverstone on the same Sunday, which caused a bit of tension in our one-TV house with the overlap during the afternoon. AND, Chris Froome won a dramatic stage on the Tour de France. It was simply too much to take in over one spectacular sporting weekend. Just a pity that England didn't make the final of the Euros.

I hope that this will have provided extra motivation for you to get out and take part in sport yourself, and we'd especially like to encourage you to get down to Tewin Tennis Club, to join the friendly crowd who play there regularly. The courts have been repainted and there's plenty of opportunity to come along to play no matter what your standard. Take a look at www.tewintennisclub.co.uk for all the details.

Our finals evening is on Friday 5 August so please do join us to watch some good tennis and meet up with other members who will be down for a relaxed evening.

The Month of August

The Romans gave this month its name in 8BC, after the first Roman Emperor Augustus who ruled from 27BC until his death in AD14.

Before then, the month had been known as Sextilis, as it was the sixth of ten months in the Roman Calendar, which began with March.

The Anglo-Saxons called August "Weodmonath" meaning "weed month".

The birthstones for August are the peridot and the sardonyx and the flowers are the gladiolus and poppy.

Henry VI Part 1 and The Tempest are the only plays by Shakespeare that mention the month of August.

Team Vicar's Letter

The sound of bells ringing is deeply rooted in British culture. Almost everyone in Britain lives within hearing range of bells. They provide the grand soundtrack to our historic moments, call out for our celebrations and toll sadly in empathy with our grief.

The bitter-sweet sound of just one bell or the majesty of a whole peal, has become part of the English heritage and much of the country's history can be traced through the history of its bells.

They call us to wake, to pray, to work, to arms, to feast and, in times of crisis, to come together. Bells sound for personal joy in marriage, for national celebration such as the 2012 Olympics and the Queen's most recent birthday, and also have been the marker of freedom as in World War II they hung silently until the day they could ring in the peace.

Bellringers have not always had the best reputation. In the 1700's rural bell ringers were renowned for moving directly from church to the local tavern, and are recorded as layabouts and drunks. I wouldn't dare comment, but certainly I have seen whiskey in the bell tower on many a Christmas Eve. But bellringing has many personal advantages. Gentle exercise for young and old, it tones muscles, improves co-ordination, agility and reaction times. It stimulates the mind and memory. It encourages teamwork. It encourages friendship across all ages.

I had lunch yesterday with a young man who started bell-ringing for his Duke of Edinburgh award. That was seven years ago, and he hasn't looked back. When I asked him why he loved it, he thought for a while. "I just love the sound of bells" he said, "there is no sound like it". The danger is of course, that a lack of bell ringers means that one day, maybe, the bells will fall silent and Britain's landscape will be deafened by their absence.

So why not come and ring some of our nations largest and oldest musical instruments for yourself? Our bellringing teams in Tewin and Datchworth will always be pleased to simply let you have a go and gently 'put you through the ropes'.

St Peter's News

Thank you to everyone who helped us to run our Open Church Sunday on 26th June, which was a celebration of Petertide. The Church was decorated with some very beautiful flower arrangements and we were able to offer our visitors refreshments. The donated cakes were very much appreciated.

A reminder to you all that St Peter's will host one of the Team Summer Evensong services on Sunday 7th August at 6.30 p.m. Everyone is welcome, so do come along and share this service with us. Refreshment will be served afterwards, hopefully outside in the sunshine. These events take place across the team from 24th July to 28th August. If you are unable to make it to Tewin, then you may wish to go along to one of the other Team Churches. Details are in the pew slips and in the centre of this magazine.

Our Church shared with most of Tewin village, the very heavy downpour of rain on Thursday 23rd June. At the time, a wedding rehearsal was underway inside the Church. The skies were black and suddenly a variety of dripping and gushing noises were heard - from the South Porch, the vestry and the bell tower. Leaving the Church was difficult, with frogs and slugs in abundance and the need to remove shoes and socks. Fortunately, everything was under control in time for the Saturday wedding and we are now just about fully dried out.

A small group of volunteers from St Peter's has continued to work with pupils at Tewin School as part of 'Story Club' which is held on Friday afternoons. We share prayer, stories, singing, acting and craft activities. Over the Summer term our sessions have focussed on 'journeys' with stories including the Good Samaritan, the story of Joseph and also Jesus choosing his special Disciples. Some of the material produced at these sessions is displayed in the South Porch. Likewise the Little Lambs group has continued to meet on alternate Thursdays in the Church and sometimes outside in the Churchyard. We are now looking forward to our outing to Norwich Cathedral on 30th July and hoping the weather is kind so that we can enjoy our picnic lunch outside in the gardens.

On Sunday 21st August we will be welcoming the Bishop of Hertford to St Peter's for a service of Holy Communion which will be held at 11.15 a.m. The Bishop will also consecrate the new Churchyard area on that day, so it will be a very special event and everyone is invited.

Tewin DriveSafe Speed Awareness

The DriveSafe Team continues to be grateful for the support of Tewin Parish Council. See the Parish Council's article on page 4.

In July the DriveSafe Team reported the surprising and disappointing news that a significant number of cars were exceeding the speed limit through the village. On one occasion almost 50% were travelling in excess of the 30mph limit.

Regular monitoring has continued and the Team have been encouraged by the positive reaction of so many villagers to the monitoring. A typical reaction has been "I am so glad you are doing this, can you also do a session at".

The village does suffer much through traffic at peak times, and this may account for some of the speeders. However, local people have also been observed travelling well in excess of the speed limit.

Children, walkers, horse riders and cyclists use our village roads in the hope they are safe. They may emerge from concealed footpaths or be just around a blind bend. Please drive safely.

DriveSafe team, for Tewin Parish Council.

Inns, Pubs and Alehouses

Pubs do not seem to have played a significant part in Tewin's history, but probably no less than any other village not on a major coaching route and later bypassed by the railway. The two pubs in the village today have both been here for centuries and are much the same size as they were when they were built perhaps 500 years ago.

The Rose and Crown, as we know it today, is thought to have been built in about 1650 on the front of an older building that stood on the site and which now forms part of the present kitchen.

One of the first times it is mentioned is in an agreement of sale in 1730 when it was sold by one Samuel Pryor of Nast Hyde to Richard Warren of Marden for £500. This is the same Richard Warren who later was to assist John Carrington to take on the tenancy of Bacon's Farm. In 1791 Carrington's son, Jack, took the tenancy of *The Rose and Crown* and was there until 1833. Carrington tells frequently in his diaries of visiting 'son Jack's' and of the many meals eaten there.

The current tenant is

Very little is known of the origins of *The Plume of Feathers* but it is probable that it was first built in about 1500 or even earlier. It is reputed to be a former hunting lodge used by Queen Elizabeth I, to have a resident ghost and to be connected to Queen Hoo Hall by underground tunnel. However, like *The Rose and Crown*, it features often in Carrington's Diary. He tells us that the landlord at that time was Joseph Whittenbury, one of the Whittenburys of Queen Hoo Hall, another of whom had been involved in the killing of the footpad, Walter Clibbon, in 1782.

The pub is currently owned by Greene King and managed by Nigel and Gill Walker.

Also on the Upper Green at one time was Brown's Ale House, but where it was is impossible to tell. The only reference is again from Carrington dated 14th April 1766.

Tewin Stores

As we all know, and this month has emphasised it more than ever, a week in politics is a long time. A week in the shop seems to be the same!

Following our review last month, many of you told us you would like to keep your newspaper delivery, with an increased charge, so we changed our minds and will continue to offer this service to customers. The charges from 17 July are £4.50 for a full week or 80p per day. This is very good value for an excellent, early reliable service. If you would like to have your papers delivered before going to work or to read over breakfast, please let Bev know. We deliver in the village and as far as The Plume of Feathers pub.

Thank you also to all households who responded to our customer survey. (The response rate was good at 40% of those surveyed). This helps us to understand our customers' buying habits. People's shopping habits change regularly and many people these days actually shop, like my mother used to do in the 1950s – daily, for fresh items. Our vegetables, bread and milk are delivered daily, except Sunday, gluten free quiches, pies and cakes twice a week, sausages and bacon weekly. Of course croissants and rolls are baked in-house daily. We recognise there is more we can do to offer fresh goods and will be looking at this over the next period.

The shop has had a good trading month – please keep giving us this support – the village needs its shop. We still want someone to help with event organising for the shop, or helping Bev with the shop rota. Are you that person? Do call.

Our special Saturday lunch will take place on 13th August when we shall be serving Ham, Egg and Potato wedges for lunch from 12 – 2pm.

If you would like to become a shareholder, or a volunteer, please get in touch with me (01438 717385) or our Secretary Eleanor Lohr (01438 717709), or speak to Bev at the shop (01438 717929)

TEWIN CLASSIC CAR & CRAFT SHOW – 21st AUGUST 12 Noon till 5pm

This year will see the 10th staging of the Classic Car & Craft Show and our plans are coming together to try and make it the best one yet!

The aim of the day is to hold a village event in the beautiful setting of Upper Green and to provide enjoyment for all. If in the process we can also raise money for Tewin, then this makes it even more worthwhile.

We are expecting to have at least 300 classic cars on display as well as 40 craft stalls, many of them selling wonderful home-made crafts.

There will be a jazz band playing throughout the afternoon and we have lots of refreshments for you to enjoy, including our famous local Hog Roast, jacket potatoes, burgers and lots of home-made cakes! Besides all of that, we have a Bar Tent selling beers, wine, soft drinks and Pimms!

The Show starts at 12 Noon and we're keeping our fingers crossed that we have a lovely sunny afternoon!

CALLING ALL BAKERS! Can you bake a cake for us please?

A large proportion of the funds we raise comes from the cakes we sell in the Pavilion, all of which are donated by Tewin residents. Please ring Roe on 01438 717336, or email roe.hill@btinternet.com if you can bake a cake for us. We need lots and lots of cakes!

On behalf of all the Committee, I want to thank all the people who have already been in touch offering to help at the Show. We still need more help so please join in and give just 2 hours of your time, it really is good fun! Please ring Brenda on 01438 489425.

Friends of Danesbury & Queen Victoria Memorial Hospital

We live in hope of, at least, some real summer weather. In these highly uncertain times a little sunshine is a definite plus and each nice day is to be savoured. For our patients at QVM and Danesbury the opportunity to spend time in our gardens can be the highlight of their day. Knowing this the Friends make a priority of ensuring that our gardeners keep them looking their best. We believe it is money very well spent.

It should be remembered that whilst August is seen as holiday time, for our patients and their carers it is no different from any other time of the year. Illness has no respect for the calendar and the need for our support is just the same as at any other time of the year.

So whilst you make the most of whatever the month brings please do not forget us and the people we help. Our Welwyn shop will be delighted to receive your custom and donations.

Earlier this year we created our Facebook page. It is a wonderful way of keeping our followers in touch with all the latest news and has been a huge success. If you have not visited yet do check us out and please share us with all your friends. It is a great way to help us in our work.

On Your Marks, Get Set, Bake!

On Monday 8 August, between 2pm and 3:30pm, join us at the Hertfordshire Archives & Local Studies building in Hertford for an introduction to baking from yesteryear with Dr Heather Falvey: a lecturer who has taught local history at both Oxford and Cambridge Universities.

You will receive a masterclass, as well as some historical background on the recipes, before heading home to practice. You have two weeks to perfect your own historic bake ready for the judging event, which will be held at the same venue from 2-3pm on Monday 22 August.

Tickets to Dr Falvey's introduction are just £10, so if you enjoy baking and are interested in this exciting event, book your place today by visiting **www.hertfordshire.gov.uk/hals** or calling **0300 123 4049**. Families are welcome too.
